It is extremely important for you, as the consumer, to understand that standard prices may not be a relevant starting point for estimating what costs you may incur during an episode of care, and the amount actually paid by a patient will depend on that patient's insurance coverage, policy provisions and other factors. Everyone's case is different based on that patient's medical condition. Please contact the **Animas Surgical Center at Escalante Financial Counseling Department directly at 970-828-0220** for more information regarding your specific financial responsibility.

If you are covered by health insurance, you are strongly encouraged to consult with your health insurer to determine accurate information about your financial responsibility for a particular health care service provided at this health care facility. If you are not covered by health insurance, you are strongly encouraged to contact the **Animas Surgical Center at Escalante Financial Counseling Department directly at 970-828-0220** to discuss payment options prior to receiving a health care service from this health care facility since posted health care prices may not reflect the actual amount of your financial responsibility.
